“Will to Leave”: in loving memory of Jörg Hetmank who left on April 8, 2011.

Thank you:

Tilla (words simply can't express what your unwavering love and support mean to me); Andre for technical support; Vivien for letting me sample and abuse her voice; A.D.; Bertrand and Valérie; former members of the live line-up; friends and family, most notably Benjamin, Autumn, Mia, J.S., Marcel, Fleah and Mike for their support, valued feedback and general awesomeness; all the journalists that have supported Sidetrack Walker.

This is for the faithless, nameless and faint of heart.
